

## CBOE-Biotech

### Competency-Based, Open Entry, Open Exit Biotechnology Education

Coming in 2018, featuring:

- Curriculum and laboratory experiences designed around the needs of the top three growing biotech employers in the Salt Lake Valley
- Freedom from the semester schedule
- The ability to move at your own pace
- Online resources available 24/7
- An open lab with extended hours, continually staffed by faculty cross-trained in all curriculum
- Support from faculty and staff trained in coaching, mentoring, and advising
- Marketing efforts directed at historically underrepresented groups
- Surveys of partner companies' employees to track workplace effectiveness of program graduates vs. workplace peers
