

Northeastern Technical College

Diesel Mechanics Career Awareness Survey

Northeastern Technical College has received a grant through the National Science Foundation to develop a model for diesel technology programs. This survey gathers information about your knowledge of STEM pathways and careers. Information obtained will be used for evaluation purposes and program improvements. Your name will not be disclosed in publicly available documents.

What is your name? _____

What school do you attend? _____

Are you more aware of Diesel Technology after attending today's career fair?

- Yes
- No

Do you have a better understanding of the range of career opportunities in Diesel Technology after attending today's career fair?

- Yes
- No

Do you have a better understanding of Diesel Technology educational pathways after attending today's career fair?

- Yes
- No

How likely are you to enroll in a STEM program at Northeastern Technical College (NETC)?

- | | | | | |
|-------------------|---|-------------------|---|-------------|
| Not at all likely | | Somewhat familiar | | Very likely |
| ① | ② | ③ | ④ | ⑤ |

How likely are you to enroll in the Diesel Technology program at NETC?

- | | | | | |
|-------------------|---|-------------------|---|-------------|
| Not at all likely | | Somewhat familiar | | Very likely |
| ① | ② | ③ | ④ | ⑤ |

Of the STEM careers presented today, what career would be your top choice to explore more at NETC?
