Make your Breakthrough!

ASA DataFest

Sinclair College's Computer Science and Information Technology Division and The Data Analytics Project invites active CIS & IT students to participate in the inaugural **ASA DataFest competition** at Sinclair, in which teams of 2-5 are given a large and complex dataset and have less than 48 hours to glean insight and post results to the portal.

The teams that participate will **WIN** great prizes!

All participants will receive a **DataFest** t-shirt, eat food, and have a great experience, with lots of food and fun!
