

Hello Students, Teacher, and Parents

Join us for a tour of the Grand Sky Facility at Grand Forks AFB on April 11th!

Transportation and lunch will be provided by NCAT. We would have 10 spots open to students and faculty interested in this tour. Participants must be US citizens and be able to pass a background check as these are government facilities, and they have specific requirements for entry.

Please email Megan (**Megan.hall@northlandcollege.edu**) at NCAT no later than March 22nd if you would like to participate in this tour. We are already past the original due date but want to try to get you in if possible. Once Megan has received your request to participate, we will send you the required documents to be completed and returned to NCAT by March 26th. Grand Sky requires 3-4 weeks to complete background checks and approve the tour, so we will do the best we can to get your background check done in time. If you have any questions, please contact Megan at any time.

Schedule:

- 9:00am-Leave Aerospace Campus TRF**
- 10:00am- Pick up at Northland EGF Campus**
- 10:30am- Arrive at Grand Sky**
