Visual Inspection:

- Are there any signs of bodywork, paintwork, or paint protection (wrap)?

- If yes, what potential impact could this have on ADAS operation?

- What is the overall condition of the vehicle (clean, dirty, and so on)?

- Why is a vehicle inspection a crucial step in ADAS diagnosis and repair?

Finalizing the activity:

- Did you encounter any problems during this procedure?

- If yes, describe the problems.

- What did you do to correct the problems?
