

Basic Information

This section provides basic information about your center/project ATE grant. Please complete, verify, and correct it if needed.

Numerical values must be entered as integers (e.g., "3420", "6" or "0"). Do not use: decimal points, commas or percent signs in numerical values (e.g., "3,000", "6.00", "\$320" or "95%").

Person currently assigned to this section is: Ms. Liping Zhang (Izhang@cs.wmich.edu)

	large and more in-depth than pilot tes		gs where the	y win be used	witen iiiali	260, usually

- 4. Select one materials item that you listed in question 2 above as developed by your center/project. For that item please briefly describe:
 - a. The title of the chosen material
 - b. What makes this item an improvement over other available products.
 - c. What you consider to be the most compelling evidence for its quality.

O Very accurate
4. How many reports on your center/project have you submitted using NSF's FastLane system?
O 0
0 1
O 2
O 3 or more
5. To what extent do you agree with the following statement? "FastLane allows me to report to my program
officer what I consider to be appropriate information regarding my center/project."
O Not applicable
O Strongly disagree
O Disagree
O Agree
O Strongly Agree
6. If you have used FastLane, please comment on how it could be improved to allow you to provide more
appropriate, accurate, and complete representation of your center/project to your program officer.

The Evaluation Center

NSF-ATE Survey

NSF # 444444

Project Title: Liping's Testproject

PI: Ms. Liping Zhang

PI Overview

This section should indicate the Principal Investigator's (PI's) view of the Center/Project and reflect information provided in the other sections of this survey.

Numerical values must be entered as integers (e.g., "3420", "6" or "0"). Do not use: decimal points, commas or percent signs in numerical values (e.g., "3,000", "6.00", "\$320" or "95%").

Person currently assigned to this section is: Ms. Liping Zhang (Izhang@cs.wmich.edu)

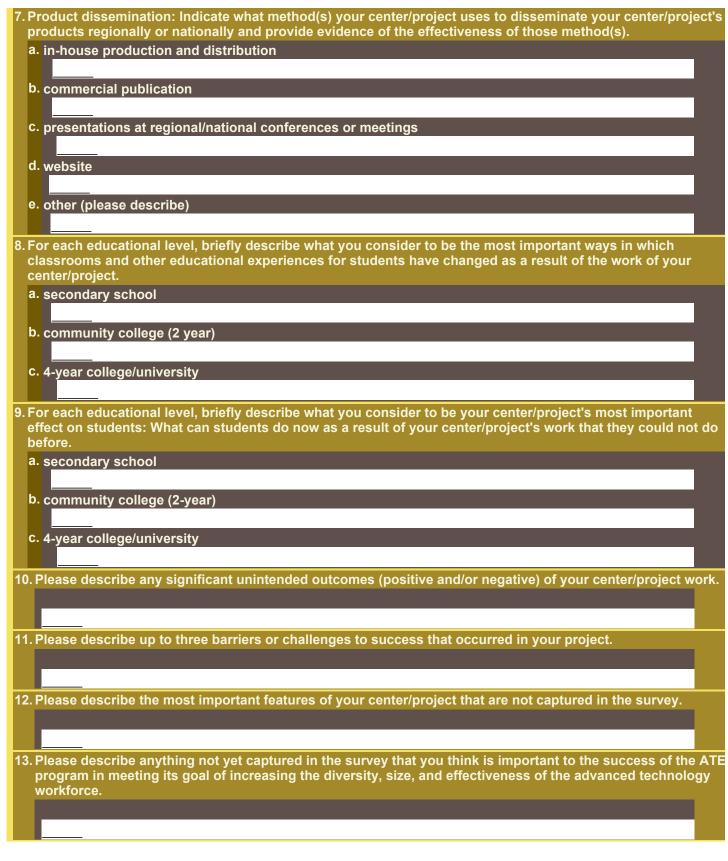

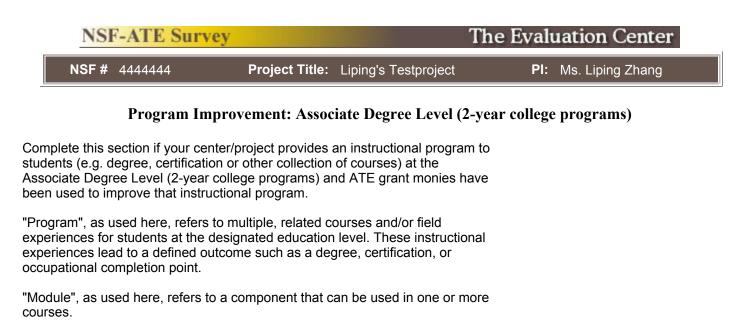

The Principal Investigator's overview of the Center/Project

1. Non-NSF support. Please rate the current status of your center/project as compared to its status last year at this time for each of the following factors.

Factor	Not	Substantial	Some Decline(5-20%)	Stable	Some Increase(5-20%)	Substantial
a. Size of the staff	0	0	0	0	0	0
b. Financial support from other organizations	0	0	0	0	0	Ο
c. Income from center/project-developed products	0	Ο	0	0	0	0
d. Use of center/project-developed products	0	0	0	0	0	0
e. Direct participation by other institutions and organizations	Ο	Ο	Ο	0	0	Ο
f. Students enrolled	0	Ο	О	Ο	Ο	О
g. Students graduating or completing the program	0	0	Ο	0	0	Ο
h. Students placed in related technical jobs, whether they completed program or not	Ο	0	Ο	0	0	0
i. Number of professional development opportunities (e.g., conferences, workshops, inservice, on-line courses)	0	0	0	Ο	0	0
J. Amount of participation in professional development opportunities	0	Ο	Ο	0	Ο	0

		ce needs
a.	Pleas	e describe the workforce needs that your project is addressing
b.	Pleas	e describe what you consider to be your center/project's most important effects on the
		orce (the nature and extent of your center/project's effects in meeting identified workforce
	needs	5).
3. Ne	eds a	ssessment
a.		Did you collect information to determine workforce needs (i.e. a workforce needs assessment) before
		submitting your proposal to NSF
	_	
	0	yes
	0	no
b.		Did you conduct a workforce needs assessment after receiving your funding?
	0	yes
	Ō	no
c	<u> </u>	answered "yes" to either of the above questions about a workforce needs assessment, please
		ibe how you conducted the needs assessment (survey, review of existing reports, interviews,
	etc.)	
4 Bri	efly c	lescribe the nature (purposes served and types of activities) and extent (how many, how often and
		ch effort) of your center/project's collaboration with other centers or projects.
5 00	ntor/E	Project Evaluation
	men/r	
a.		Does your center/project have (an) evaluator(s)?
	0	yes
	0	no
b.		If you selected 'yes' in item a, is/are the evaluator(s) (choose one)
	0	external (not on staff with center/project)
	Õ	internal (is a member of center/project staff)
	0	both (you have both types of evaluators)
	0	
C.		If you selected 'yes' in item a, when in the life of the center/project was the evaluator engaged? (choose one)
	0	avaluator was involved in developing the initial managel
	0	evaluator was involved in developing the initial proposal
	0	evaluator was hired when the funds were awarded
	0	evaluator was hired after the project was in full operation
	0	evaluator was hired as the project was ending
6. Bri	efly c	lescribe what steps your center/project has taken to involve underrepresented groups (minorities,
		people with disabilities).

"Course", as used here, refers to an educational unit (usually at the secondary, college or university level) consisting of a series of instruction periods (e.g., lectures, recitations, and laboratory sessions) dealing with a particular subject.

If you have modified or developed an individual course or courses in this program as part of this ATE grant, you should also complete the Materials Development section.

Numerical values must be entered as integers (e.g., "3420", "6" or "0"). Do not use: decimal points, commas or percent signs in numerical values (e.g., "3,000", "6.00", "\$320" or "95%").

What does "not apply" mean?

Person currently assigned to this section is: **Ms. Liping Zhang (lzhang@cs.wmich.edu)** If you want to reassign this section, please enter the name of the person below or select from the list.

Program Improvement and Student Characteristics: Associate Degree Level (2-year college programs)

1. This question addresses the size and scope of your edu	cational p	program(s) f	or this leve	l.	
a. State the total number of programs developed/offered.					
b. State the total number of institutions/campus locations where the programs are offered.					
c. State the total number of courses offered across all programs and locations					
 d. State (estimate) the total number of students (head count) who have taken at least one course in one of your programs during the past academic year plus summer (12 months). 					
2. In completing the remainder of this section, please refer and that best represents your center/project.	to one sp	ecific prog	ram as offe	red at one	location
a. Program name: Choose one specific program to consider when answering the remaining questions in this section.					
b. Institution name: Choose one institution location to consider when answering the remaining questions in this section.					
3. Indicate the extent to which the courses in your specifie	d progran	n meet the f	ollowing co	onditions	
share the extent to which the courses in your specific	u program

13. For courses in the single program and location you specified in Question 2, please provide a brief description for each type of specific student recruitment, retention, and placement activities in your specified program. For each activity, pay special attention to actions your center/project or supporting institution took to serve minority or disability groups and women. In each case, briefly describe what worked well and what did not.
* If the information is Unavailable enter "U"
* If the information is Not Applicable enter "NA"

a. The specific steps taken to recruit students to your specified program.

- b. The specific steps taken to retain students (i.e., help students to meet personal, financial, and academic barriers in order to complete their specified programs in an academically sound way).
- c. The specific steps taken to place students in positions during and upon completion of the specified program (either industry or higher education related).
