Assignment 4 (to be done in class)

Break into 4 groups. Each group will be assigned to watch one of the 4 videos listed at the end of "Week 3's" notes.

- 1.) Do "Flow Process Charts" (for each sub-task) and then an "Operation Process Chart" (for the entire task) for the initial way of doing it.
- 2.) Do "Flow Process Charts" (for each sub-task) and then an "Operation Process Chart" (for the entire task) for the more efficient way of doing it.
- 3.) Analyze both ways of completing the task and answer - "How was the productivity increased?"

(blank Flow Process Charts and Operation Process Charts are attached)
